Subject: **INVITATION** to the international flute event "**2000flauti2000vele**", which will take place during the VIII ° Trieste Flute Day.

With reference to the object, we inform you that on **Sunday October, 7th 2018 at 4 pm in Trieste**, in Piazza Unità d'Italia, in concomitance and in collaboration with the 50th Edition of the famous "Barcolana" Regatta, which will see the participation on the following Sunday of over 2000 sailboats from various countries, the **Trieste Flute Association** will host the "Trieste Flute Day", an international event that will reach, this year, its eighth edition.

On this occasion, sticking with the line adopted with great success in its previous editions, which led groups of over 300 flautists to play on the stage of the main Trieste theatres, we are working on the creation of a large flute orchestra, that, we hope, will count on the presence of two thousand flutists coming both from Italy and from many European and non-European countries.

Registration to the event will be free, and all those who will take part will receive a certificate of participation in the event, which, on some level, will constitute a record.

The participation of both students and their teachers is hoped and wished; the music, rather simple, have been especially designed for the event, which we would like to be the biggest flute concert ever performed.

It will therefore be an absolute world premiere.

We trust in a courteous, as well as urgent feedback from your side to the present invitation, for the purposes of registration of the participants in the event.

The scores will be emailed to the enrolled members.

Confident in the fact that the initiative will meet the interest of teachers and students of flute of this Institute, we take the opportunity to offer our

Best Regards

Trieste, May, 4th 2018

The President  
Ettore Michelazzi
