

TRIESTE FLUTE FESTIVAL – VIII TRIESTE FLUTE DAY

2000 FLAUTI 2000 VELE

**Il concerto di flauti più grande del mondo
Trieste, 7 ottobre 2018
piazza dell'Unità d'Italia**

Thousands of flautists unite in one of the most beautiful squares in Italy, facing the sea, to participate in a unique concert and debut performance, brought to you by the Trieste Flute Association in collaboration with Maestro Valter Sivilotti.

This is our dream for Trieste Flute Day 2018. A dream of a Guinness World Record.

The biggest flute concert in the world cannot be imagined, it must be experienced.

Come to play with us!

We're looking for flute enthusiasts to participate in the debut performance of a piece composed for us by the great Maestro Valter Sivilotti.

The event is open to flautists of all ages, from young musicians of six years old to graduates of music academies and conservatories, national and foreign; from middle school students and music school students to professional flautists.

You can sign up as an individual, or sign up as a group, school or class.

All participants will receive a diploma and gadget.

The parts, which are simple, for the orchestra of 2000 flutes are already available; to obtain them, and decide which divisions to play, enrol for the event.
